NOTE TO RECEIVER: The information that is being disclosed is confidential and protected by federal law. The confidentiality of alcohol and drug abuse patient records maintained by this program is protected by federal law and regulations, including HIPAA and 42 CFR, Part 2, which prohibits the receiver of this information from making any further disclosure of same, except with the written authorization of the person to whom it pertains. A GENERAL AUTHORIZATION for the release of medical/psychiatric information is not sufficient for this purpose. Federal laws and regulations restrict any use of the information to investigate or prosecute about a crime of any patient with a substance use disorder, except as provided at §§2.12(c) (5) and 2.65.
